

Annual Report of Lord Krishna Public School

Lord Krishna Public School, affiliated up to the secondary level, takes great pleasure in presenting its annual report for the academic year 2022-2023. This year has been a journey filled with numerous achievements, challenges, and memorable experiences for our school. School works with the faith **ज्ञानं परमं ध्येयम्**.

ACADEMIC EXCELLENCE:

Our school has always prioritized academic excellence, and this year was no exception. We are proud to announce that our students have consistently performed exceptionally well in their examinations. Our dedicated team of teachers has worked tirelessly to provide quality education, ensuring that each student reaches their full potential. We have implemented innovative teaching methods, conducted regular assessments, and organized remedial classes to support students who required extra attention.

CO-CURRICULAR ACTIVITIES:

At Lord Krishna Public School, we firmly believe in holistic education. Alongside academics, we have encouraged students to participate in a wide range of co-curricular activities. Our students have showcased their talents in various fields, including sports, art, music, and dance. They have participated in inter-school competitions and have brought numerous accolades to our school. We also organized cultural events and workshops, allowing students to explore their interests and develop their skills beyond the classroom.

PARENT-TEACHER MEETS:

It has been rightly said that the success of a student is a tri-polar process, when the trio-the teachers, students and the parents- work together. The Parent Teacher Meet is organized after every examination to make the parents well-apprised of the academic performance of their ward so that the necessary remedial measures may be taken to improve upon the same.

INFRASTRUCTURE DEVELOPMENT:

To provide an enriching learning environment, we have made significant improvements to our infrastructure. We have upgraded our classrooms with smart LEDs, Computer, internet and audio-visual aids to enhance the learning experience. Our science and computer laboratories have been equipped with new additional & modern equipment, enabling students to gain hands-on experience and develop their practical skills. We have also invested in a well-stocked library, providing students with a vast collection of books and resources to foster a love for reading and research.

TEACHER DEVELOPMENT & TRAINING:

We believe that teachers play a pivotal role in shaping the future of our students. Hence, we have focused on their professional development. Our faculty members have attended various workshops, CBPs, seminars, and training programs to stay updated with the latest teaching methodologies in online

and offline modes. We have also encouraged them to pursue higher education and research to enhance their subject knowledge. This dedication and continuous learning have had a positive impact on our students' overall growth and development.

COMMUNITY ENGAGEMENT:

Lord Krishna Public School has always fostered strong ties with the local community. We have organized several community outreach programs, encouraging our students to actively participate in social service activities. Our students have volunteered in local initiatives, such as environmental clean-up drives, blood donation awareness camps, and other several awareness campaigns on cleanness, BETI BACHAO, BETO PADHAO" & others important social issues. Through these activities, we aim to instill a sense of social responsibility and empathy in our students.

CONCLUSION:

As we conclude the annual report for the academic year 2022-2023, we extend our heartfelt gratitude to our dedicated staff, supportive parents, and enthusiastic students. The unwavering commitment and collective efforts have enabled Lord Krishna Public School to maintain its high standards of education and holistic development. We look forward to the coming year with renewed enthusiasm, aiming to create an even more enriching and empowering environment for our students.

SUGGESTION'S & SUPPORT:

Our school always welcome your valuable suggestions for the overall improvement of the school & students.

Thank you.
